Kind Attn : Shri Shailesh Chauhan

Sub. : Supply & Installation of UTM – 1000Kn AutoMax at our test laboratory.

Dear Sir,

Universal Testing machine – model 1000 Auto max of Chir –Ayu- Controls is installed in our laboratory during last week. Personnel from your organization, namely Mr. Virendra Waghela & Mr. kartikey Jadhav were here for full four days for installation and training of our staff for operating the m/c. Both of them are very sincere, cooperative and receptive and have imparted all necessary information. We also appreciate the genuine efforts of Mr. Nikunj Smart in convincing about the quality & utility of the UTM. Please accept our sincere thanks and appreciation for supplying a very good machine to our laboratory.

Regards
